

# Baja™

## **SIMPLE, DURABLE COMFORT... BAJA**

- The Baja scissor action non-isolating air suspension provides solid ride platform and stability to give you effective control, both in standard and lopro versions
- Ergonomic and supportive seat upper gives you a comfortable ride so you can focus on the job
- Optional dual damper version delivers improved stability and ride dampening in rough conditions
- Durable top goods are easy to keep clean and are designed to last in tough environments
