# \*WIDE RIDE II+(Serta)

### \* PATRIOT

## REFINED LONG HAUL COMFORT

- Exclusive Serta Cool-Action Gel Memory foam for improved comfort, support, and temperature regulation
- Exclusive BackCycler® better than massage. Cyclical inflation moves spine to help eliminate stiff back
- · Larger, more adjustment points means personalized, luxurious comfort
- New wide stance isolating scissor suspension with adjustable damper - superior buffering to your body from the road

- The original wide format seat, comfort for more truck applications
- Styling makes your home on wheels look and feel like it
- Luxury pillow top to cushion you on the long drives
- Dual chamber air lumbar & front cushion tilt adjust to fit you
- Automotive-style recline to stretch out while parked

- Wide stance scissor action suspension for best in class vibration dampening and stability
- Unique ergonomically designed foam for comfort both while driving and after the haul is done
- Longer 16" adjustable arms with easy adjust wheel for improved arm support
- Easy to refresh design reduces costs of ownership and lengthens the life of your investment

## ALL AWERICAN WORK HORSE

- Wider, two piece upper provides easier upgrade and maintenance resulting in lower cost of ownership & longer seat life
- Flex-O-Later cushion support with less pressure on the seat than pan style support
- ParaBar II manual lumbar adjustment with focused support on each side of the spine, rather than on the spine for support without pressure point pain
- Durable scissor action suspension for true horizontal vibration dampening giving you dependable comfort and a stable driving platform
